Sir:

In response to the Office Action dated October 24, 2003, please amend the above-identified application as follows on the accompanying pages.

Applicant notes that although an Amendment was already filed on January 23, 2003 in response to the October 24, 2003 Office Action, the January 23 Amendment was inadvertently filed with the filing receipt of another application. Applicant's representative called the Examiner to discuss this matter and determined that the Examiner has not received the January 23 Amendment. Since it appears that the Examiner will not receive the January 23 Amendment, Applicant is filing the present Amendment.
